Sponsored by the MATTHEW SHEPARD FOUNDATION, *A Face in the Crowd* celebrates the triumphs and challenges of those who identify as gay, lesbian, bisexual, or transgender, and presents real-life stories and positive images of people living their lives filled with love, hope, and happiness. Incorporating stories and profiles of gay men and women, sharing tales of families and challenges, underscoring the soul searching of coming out, and looking ahead to the increasingly hopeful future, *A Face in the Crowd* illustrates that gay life in America does not fit a single stereotype.
